

PETITION TO CLARIFY THE FUTURE OF ESSEX SKYPARK

We registered voters of Baltimore County request our county government to resolve that Essex Skypark shall remain in operation as a general aviation airport servicing small private and commercial aircraft as it has for almost sixty five, (65) years. We do petition our county government to adopt such a resolution so that the future of Essex Skypark will no longer be in question.

Resolved that:

Baltimore County recognizes the right of Essex SkyPark to remain open and active in perpetuity to conduct those activities directly related to the basing, operation, maintenance and educational activities of general and governmental aviation, as well as community recreational activities; and excepting the following activities:

No industrial or commercial activities other than agriculture, aquaculture, silviculture and horticulture and aviation related commercial activities are to be allowed on the Property.

The intention is to keep this important and historic airport in operation to serve the community.

And that the Essex SkyPark Association acting on behalf of the SkyPark management, tenants, pilots, users, R/C modelers and in consultation with the members of the Back River Neck Peninsula Community Association, be allowed to apply for and accept grant money and donations for the upkeep and management of the airport proper.

PETITION TO CLARIFY THE FUTURE OF ESSEX SKYPARK
Non-Registered Voters

We the citizens of Baltimore County and the State of Maryland join with registered voters of Baltimore County to request that the county government to resolve that Essex SkyPark shall remain in operation as a general aviation airport servicing small private and commercial aircraft as it has for almost sixty five, (65) years. We do petition our county government to adopt such a resolution so that the future of Essex SkyPark will no longer be in question.

Resolved that:

Baltimore County recognizes the right of Essex SkyPark to remain open and active in perpetuity to conduct those activities directly related to the basing, operation, maintenance and educational activities of general and governmental aviation, as well as community recreational activities; and excepting the following activities:

No industrial or commercial activities other than agriculture, aquaculture, silviculture and horticulture and aviation related commercial activities are to be allowed on the Property.

The intention is to keep this important and historic airport in operation to serve the community.

And that the Essex SkyPark Association acting on behalf of the SkyPark management, tenants, pilots, users, R/C modelers and in consultation with the members of the Back River Neck Peninsula Community Association, be allowed to apply for and accept grant money and donations for the upkeep and management of the airport proper.
